1. Hail, hail to our May Queen  
Hail, hail to our May Queen  
Hail, hail to our May Queen  
Thy loyal subjects greet thee.

2. THE MAY QUEEN

O listen to the music sweet  
That echoes from the green  
The fairies of the flow'rs have met  
To crown their May-day Queen  
The fairest blossom of the wood  
Shall deck her brow today  
Come join the dance and trip it light  
To welcome Queen of May.

We will weave in love while we weave in flow'rs,  
And the sweet birds sing,  
From their leafy, leafy bow'rs;  
Fanning in the breeze  
While the grasses sway,  
Singing of our love for thee  
Merry, merry Queen of May.
